

Flood Control Demands Mount As Water Recedes In County

Action Sought To Prevent Further Losses

Protests from Monroe County residents for action in controlling flash floods mounted heavily yesterday as property owners pumped water from their cellars and merchants took inventory of extensive losses.

Officials of the affected communities, along with some state and county authorities were deluged with requests for some form of action.

Meanwhile the muddy waters of every county stream subsided and the Delaware River fell steadily, as its tributaries emptied hurriedly.

At 4 a.m. yesterday Milford bridge reported the Delaware had reached its peak, 18 feet, 33 inches above normal, then had begun to recede. By 9 a.m. the water had dropped over a foot and continued slowly, to decrease. Last night at 10 the Milford bridge said water was down to 13.37 above normal and still dropping.

Measurements at the Delaware Bridge, Delaware, N. J., at 11 last night showed the river had dropped to 27.53—15.03 feet above normal. Waters there had been "dropping steadily since 11 a.m." When the crest was reached at 18.42 feet above normal, an attendant said.

Shawnee Country Club and Inn was among the low-land resorts hit by the Delaware's rising tide. On the golf course, greens one, 16, 17 and 18 were covered until late in the afternoon and water crept into the Inn itself.

Shawnee Fire Co. sent its pumpers and a crew of men to the Inn late yesterday to pump water from the basement. Residents of the area said the water was the highest there since the flood of 1936 and almost surrounded the Inn. No homes were flooded yesterday, however.

Work on the Delaware River bridge at Delaware Water Gap has been halted and probably won't be resumed for a week, said a spokesman for Johnson, Drake and Pi-phar, construction firm.

"We've never seen the water this high," the official said. "We can't estimate the damage either. A lot of our equipment is on the island and it's under water."

Route 90 near Penn Hills Lodge has been closed to truck traffic, a State highway official disclosed. He predicted the section near Anasink will be closed for one week while workers repair the bridge across Broadheads Creek.

Rushing waters undermined the bridge, making it unsafe for travel and traffic was rerouted Thursday, then opened for pleasure cars yesterday.

Only one other road was closed yesterday. Route 402 at Minisink Hills, near the Empire Box Corp. plant was barricaded at 3 a.m. and reopened at 4 p.m., but at that time water still was reported across the road.

Red Cross office in Stroudsburg reported no requests for assistance had been filed with their disaster committee. "Apparently neighbors and friends gave shelter, food and clothing to those affected," a representative said.

Many sections of Stroudsburg and East Stroudsburg cellar pumps were kept busy all day, clearing basements of the heavy deposits of water. Much of this trouble resulted from water seeping through basement walls and floors.

Stroud Township Fire Co. also had their portable pumps out in sections of the Pocono Creek which flooded over.

Damage by water is expected to run into five figures, with business houses along Broadheads and Pocono Creek being hit the hardest. Resort owners also are digging out many using bulldozers to push debris from their property.

Near Easton, the water was reported very high and flood conditions were reported where the Lehigh River empties into the Delaware.

Price Index Shows Decline

Washington (AP)—Wholesale prices as measured by the government eased off four-tenths of one per cent during the week ended last Tuesday.

Reporting that yesterday, the Bureau of Labor Statistics said its index of prices dropped to 190.6 per cent of the 1947-49 average. It said the decline was due mainly to a 2½ per cent drop in the price of farm products, including

Urbagemen Strike

Democrats Call For Quizzing Of MacArthur

ROK Troops Dislodge Reds To Win Title Of 'World's Toughest Little Soldiers'

Seoul, (AP)—Weary South Korean troops—"the toughest little soldiers in the world"—today smashed to the top of shell-scarred, frozen Little Nori Hill in Western Korea and drove off a Chinese company which had been chopped up by savage U. N. air and artillery poundings.

Engineers immediately rushed up logs and sandbags and began setting up fortifications under a heavy Red shelling.

The attack was the 10th by the Republic of Korea infantrymen in more than two days of hot battle for the height, about 40 miles north of Seoul on the Ijin River.

The ROK's U. S. military adviser, Maj. Howard A. Trammell of Breckenridge, Tex., said the firepower of U. N. tanks, artillery, infantrymen and warplanes had cost the Chinese at least 1,100 killed, wounded and captured since the Reds first drove the ROKs off Little Nori and nearby Big Nori early last Thursday.

Trammell called the South Koreans counterattacking Little Nori "the toughest little soldiers in the world."

A. U. S. Eighth Army briefing officer said 303 dead Chinese had been counted on the frozen battlefield.

Official Vote For President Totals 61,547,861, Highest Number Ever Polled In U.S.

Washington, (AP)—A record-smashing 61,547,861 total vote was cast for President on Nov. 4 when Gen. Dwight D. Eisenhower won election by a plurality of 6,616,233.

The final official figures as tabulated today by The Associated Press showed Eisenhower polled 33,927,549 to 27,311,316 for the losing Democratic candidate, Gov. Adlai E. Stevenson. Other parties received 308,996.

Many records fell in the great outpouring of voters stirred to a new pitch of political consciousness by a combination of popular candidates, television and unprecedented get-out-the-vote drives.

The total number of ballots cast, counting the highest vote in each state regardless of office and including blanks and voided ballots, was 62,042,777—not far from the 63 million goal of the vote drive conducted by the American Heritage Foundation in cooperation with 50 odd private organizations.

But only 61,547,861 will go into the official record books for posterity, because 494,916 of that 62 million total either scratched their presidential ballots or had them thrown out.

The total presidential vote was 11,727,549 more than the previous record of 49,820,312 cast in the Roosevelt-Wilkie contest in 1940. It exceeded by 12,859,572 the 1948 election total.

Eisenhower got 55.1 per cent of the total vote, Stevenson 44.4 and others 0.5. Eisenhower's percentage of the major party vote was 55.4, Stevenson's 44.6.

Sixty-three per cent of the adult population—potential voters—cast votes for president, reversing a downward trend that had been in evidence since 1940. The vote represented 81 per cent of the nation's estimated eligibles, those who register, etc.

The figures show Eisenhower rang up a tremendous personal victory. In the 37 states where figures on the other statewide two-party races were available last night, Eisenhower ran ahead of the highest man on the state Republican ticket—senator, governor, or other office—in all except six states. Only state candidates in Arizona, Minnesota, New Hampshire, North Dakota, Vermont and Wisconsin topped the Eisenhower vote.

He also said Republican leaders have decided to follow recent custom and install Sen. Richard Nixon, vice president-elect, in the outdoors ceremony at the Capitol at which Eisenhower takes his oath.

Badman Billy Put To Death As Kidnap-Slayer Of Six

San Quentin, Calif. (AP)—Sullen to the end, William E. (Badman Billy) Cook, kidnap-slayer of six persons two years ago, died in San Quentin gas chamber yesterday with a false show of boredom.

The squatty killer's outward calm was belied only by the stethoscope strapped to his chest. It showed his heart was pounding in excitement—120 beats a minute—before the fatal cyanide pellets stilled his pulse forever.

Cook, 25, was put to death for the kidnap-slaying of Robert Dewey, a Seattle salesman, in California's Imperial Valley.

He also had confessed to the kidnap-murders of five members of the Carl Mosser family of Alameda, Ill. He stuffed the bodies of the Mossers and their three children into an abandoned mine shaft near Joplin, Mo.

Eisenhower Puzzled By HST Blast

Honolulu (AP)—President-elect Dwight D. Eisenhower is shocked and puzzled by President Truman's blast at his trip to Korea. It was leavened yesterday, but is determined not to become involved in any public wrangle with the President.

From sources of the highest reliability, it can be said that Eisenhower feels the Truman blast at him was uncalled for, undignified, and should be ignored.

Truman told a news conference Thursday that the Eisenhower journey to Korea was the result of political demagoguery and declared Gen. Douglas MacArthur should lay before the administration any Korean peace plan MacArthur may discuss with Eisenhower.

The President-elect will continue on the course he has set to find a solution to the war in Korea—and this will include a study of MacArthur's proposals along with others advanced by his advisers on ways and means of ending the struggle in Korea.

But, it was learned, Eisenhower is grimly determined that the United States will not bring an end to the Korean struggle unless a true call for the return of American prisoners of war now held by the Communists. And he has no record against forced repatriation of Communist prisoners held by the Allies.

These developments came as Eisenhower was winding up his 12th day of talks with key advisers before leaving today for New York.

One source said Eisenhower feels that MacArthur has a vast stock of information and experience in Far Eastern affairs which should be considered in formulating the new administration's peace program.

And Eisenhower believes the American people would feel he was not being honest and was not getting all the information possible if he failed to consult with MacArthur on the Korean situation.

One of Eisenhower's advisers had this to say in connection with the Truman statement:

"The situation is as simple as 2 and 2 are 4. Ike said he would go to Korea. He made the trip. MacArthur then said he had a peace plan."

Eisenhower, looking for all possible information, asked to see it and MacArthur agreed. Then H. S. T. in a burst of rage, blew two gaskets, one hitting MacArthur and the other hitting Eisenhower. It would be silly for Eisenhower to become involved."

Eisenhower's thinking was outlined in this way:

The general believes the American people want dignity restored to the presidency and that they are "tired of petty bickering and name-calling."

He cannot understand why the President injected him into an argument over the MacArthur peace plan.

It was said authoritatively that the general sees no easy solution to Korea and does not think an easy way out will be found. He believes the American people must be made to realize there will be sacrifices, but also that the people can "take it" if convinced they are intelligent sacrifices.

U.S. May Give Files To Lie

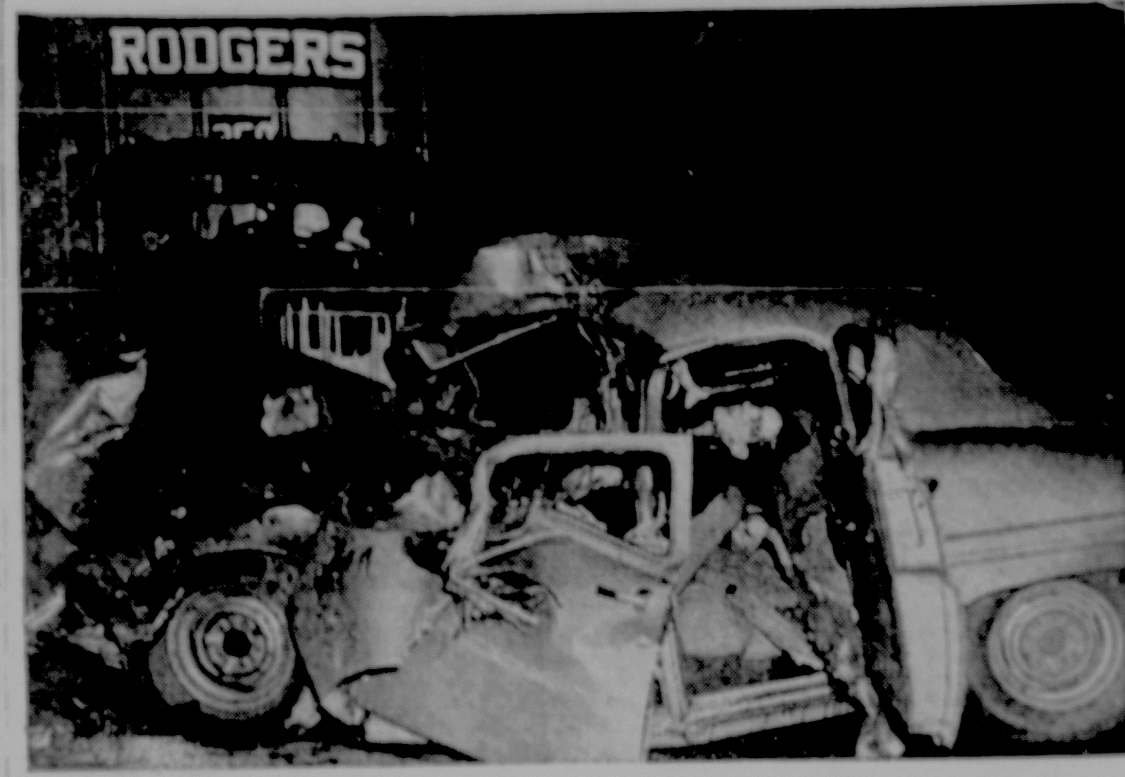

United Nations, N. Y. (AP)—A U. S. State Department committee and American Justice Department officials are reported working on ways of giving confidential information on suspected subversives to U. N. Secretary-General Trygve Lie.

The final decision will be up to President Truman, informed sources said yesterday.

This development came as a recent was reported growing among U. N. delegates over the conduct of the whole question of subversives in the U. N. Some delegates, who would not be identified, said there is a strong feeling that the delegations should be informed about what is going on and not have to read sketchy reports second-hand.

Urges Cut In Tax

Harrisburg, (AP)—A 5 per cent reduction in state inheritance taxes was recommended yesterday by the Pennsylvania Bankers Association, holding its 26th mid-Winter conference here.

THIS TWISTED, TANGLED MASS OF STEEL spelled finish to the lives of two young Scranton men Thursday night when their car rammed into the front end of the truck-trailer shown in the background. David James Delancey, 19, and Carl A. Glaab Jr., 23, were both killed on a curve in Delaware Water Gap borough Thursday night after Delancey, driver of the car, passed several cars at a high rate of speed, according to officials.

Bodies Of Two Accident Victims Returned To Scranton; Truck Driver Suffered Injury

The bodies of two young Scranton men were returned to that city yesterday following an accident on Route 611 in Delaware Water Gap when their late model car smashed into a tractor-trailer head-on late Thursday night.

The dead men were: David James Delancey, 19, son of Mrs. Myrtle Delancey, 425 Birch St., and Carl A. Glaab Jr., 23, son of Mr. and Mrs. Carl A. Glaab Sr., of 334 Wheeler Ave., Scranton.

The driver of the Rodgers transport tractor-trailer, William Benjamin, 38, also of Scranton, received medical treatment yesterday for body bruises, injuries of the left arm and shock.

Glaab and Delancey were crushed to death, police said, when their car, reportedly en route to Philadelphia, passed several other vehicles on a curve and then hit the truck at a high rate of speed.

The impact threw the car crosswise of the highway with the rear end coming to rest un-

derneath the trailer of a south-bound truck the Delancey car had just passed.

The accident occurred approximately 300 yards beyond Deerhead Inn at about 10:55 p.m. Both men apparently were killed instantly by the crash.

Examinations of the bodies yesterday revealed the following injuries:

Delancey: compound fractures of the skull and left leg, fractured nose, internal injuries, bruises and cuts.

Glaab: fractured jaw, internal injuries, multiple cuts on the head, face and body.

Scranton authorities last night reported both of the young men had police records and were on probation. Delancey had been arrested and placed on probation for his part in a diner robbery in Scranton; Glaab, a Navy veteran, was on parole from the State Industrial School at Camp Hill where he served a term for

issuing worthless checks and for automobile theft.

Police and spectators worked for more than an hour and a half before they succeeded in pulling the trapped bodies of the young men from the mass of tangled steel on the interior of the car.

A wrecker from B. Weber garage, Stroudsburg, pulled the mangled wreckage from underneath the front of the truck.

Investigation of the accident was handled by Delaware Water Gap Police Chief Fred Decker.

In a late development yesterday, a Scranton frame mechanic disclosed that he had warned Delancey less than two weeks ago not to drive the car until repairs were made to the rear spring assembly, where a center bolt had been sheared off in a recent accident.

The mechanic, Charles Brown, examined the wrecked car late yesterday and found the condition still existed, indicating the repairs were never made.

Legislators May Seek Higher Pay

Harrisburg, (AP)—Reports circulated at the state Capitol yesterday indicated that a bill to increase legislators' salaries to \$5,000 a session may be introduced in the 1953 General Assembly.

Gov. John S. Fine vetoed a similar salary increase in the 1951 session. The 1953 Legislature opens Jan. 6.

If finally enacted, the pay boost would become effective in 1955, since the state Constitution prohibits a change of salary during an official's elected term of office.

Members of the legislature now get \$3,000 for each session of the legislature along with \$150 monthly for expenses. They also receive five cents a mile weekly for trips to Harrisburg and return while the assembly is in session. The expense allotment was raised from \$100 to \$150 monthly in the 1951 Legislature.

Each member of the legislature gets \$6,000 for the each biennial legislative term. In the event of a special session members receive an additional \$500 or \$750 depending on the length of the session.

The rumored salary proposal would be tied with a planned amendment to the Constitution, calling for regular session of the legislature each year.

Fainting Spells Plague Singers

Warren, O. (AP)—An epidemic of fainting spells that hit his girl members of Warren High School's capella choir while they are singing puzzled school authorities yesterday.

It's been going on for more than a week, whenever the choir sings before any group other than fellow students. The choir will be singing along when "plop"—down go several girls in a swoon, sometimes six or seven at a time.

Judge Orders Strikers Back To Work At Atomic Plant

Buffalo, N. Y. (AP)—A judge yesterday ordered striking CIO steelworkers to return immediately to the job of producing atomic energy supplies at the American Locomotive plant in Dunkirk.

Judge John Knight of Federal District court issued a temporary injunction and directed the company and the union to appear next Thursday to give any reasons why the order should not be made permanent for the 90-day cooling off period prescribed by the Taft-Hartley law for some strikes.

The CIO announced Thursday night it would make this a test case of the constitutionality of the act's provision for injunctions, on the ground the act does not define any strikes as illegal.

The government obtained the temporary order.

The order said the three-and-one-half-month old strike of 1,500 steelworkers had affected a "substantial part" of the nation's atomic energy program. Nickel pipe made at the plant is needed at atomic energy projects in Savannah River, Ga., Paducah, Ky., and Portsmouth, O., the government said.

The steelworkers struck Aug. 29 for a pay boost of 26 cents an hour and other benefits. They rejected the company's latest offer of 12½ cents. The scale has been \$12.12 to \$20.01 an hour.

Congressmen Seek Plan To End War

Washington (AP)—Demands for an immediate congressional hearing of Gen. Douglas MacArthur's views on ending the Korean War boiled up on Capitol Hill yesterday in the wake of President Truman's statement that he doesn't think MacArthur has any new solution.

Sen. Hunt (D-Wyo.) said in a letter to Chairman Russell (D-Ga.) that the Senate Armed Services Committee has "a clear cut obligation, not just to the boys in Korea and their parents, but to the entire nation" to call an immediate session.

Rep. Wickersham (D-Okla.), a member of the House Armed Services Committee, went further. He proposed a joint session of both the Senate and House committees be held closed doors.

"For his sake and the country's sake, he (MacArthur) should be heard," Wickersham said.

In addition to telegraphing his proposal to Chairman Russell and Vinson (D-Ga.), Wickersham said he also had wired MacArthur asking if he would be receptive to the idea. Wickersham was a member of a congressional delegation that visited Korea earlier this year.

Sen. Hunt wrote Russell: "If the general has a 'clear and definite solution' to the Korean War there certainly can be no justification in withholding it from the chiefs of staff, the Congress or the American people."

Declaring Congress should be "informed and consulted" at once if there is any new plan to end the war, Hunt told reporters:

"This is not a matter that I believe should wait until the new Congress convenes on Jan. 3 and I am convinced most members of the committee would be able and more than willing to return to Washington on such an important mission."

Chairman Russell expressed little enthusiasm for the idea, however.

Pointing out that the committee can only recommend to Congress and has "no power to compel action in the field of foreign relations," Russell said in Atlanta:

"I doubt very much that such a meeting of the Senate Armed Services Committee would serve any useful purpose while the Congress is not in session."

Russell added that Truman, as commander in chief, can order MacArthur to report to him or to the Defense Department "when-ever he sees fit to do so."

Freehill New Director Of Price Office

Washington (AP)—President Truman yesterday appointed Joseph H. Freehill of New York as director of price stabilization.

He has been acting in that capacity since the resignation of T. H. Woods Nov. 24.

Freehill, a native of New York City, was reared in Middletown, N.Y.

He joined the OPS in February 1951 after service as associate counsel of a Senate labor subcommittee on labor-management relations. He successively became chief counsel and deputy administrator of OPS.

Before going into government service he practiced law in Washington, in 1944-50.

Resignation Of Locke Accepted

Washington (AP)—President Truman yesterday accepted with "sincere regret" the resignation of Edwin A. Locke Jr., as a special ambassador in the Middle East.

Locke was called home for "consultation" recently after he delivered a blast against American aid policies in that area. In a speech at Beirut, Lebanon, on Dec. 5 he called for increased economic aid to Israel and the Arab countries.

Pageant To Be Given By Methodists

The 1952 version of "The Star Still Shines," a Christmas pageant that for 12 years has been presented by the cooperating churches and the cast, all members of the congregation of the East Stroudsburg Methodist Church, will be presented this Sunday at 7:30 p.m. Highlighting the preliminaries before the pageant will be four selections presented by the State Teachers College chorus directed by Dr. Donald Carson. They will sing "Lullaby on Christmas Eve," "Behold That Star," "Christmas Hymn," "Alleluia."

The pageant is cast in six scenes as follows: first a prologue in which a poem reads in the words of Grace Noll Crowell, "Let Us Now Go Even to Bethlehem" to consider again the greatest birthday of all times and the church choir sings as the star is lighted "A Christmas Prayer." The first scene is that of the announcing angels and Mary. The second scene reveals the annunciation and the third Mary and the angels. The manger scene with the shepherds is the fourth depiction. The fifth shows the Wise Men as they appear before Herod, and the journey of the wisemen to the new born king. The sixth scene is the finale—in which all the choir join in the music and all groups—angels, shepherds and wisemen, gather about the manger.

During each scene, beautiful lighting effects are achieved. The scripture suggesting the scene is read and one of the choir sings the appropriate carol. Those in the pageant this year are as follows: Mrs. Fred Strauser as Mary; Nelson Edwards as Joseph; the announcing angels, Janet Gann, Mary Jane Stackhouse, Nancy Shea, Katy Pennington, Denny Bartholomew, Jean Woolver, the smaller angels, Nancy Stiff, Nancy Hard, Janet Heller, Barbara Bitts, Brenda Taylor, Beverly Taylor, Susan Fatzinger, Charlene Ackerman, Donna Morgan, Polly Barnes, Marlene Bush, Dawn Leary, Patsy Flory, Christine Metzger, Diane Walker.

The shepherds are Walter Stein, Clark and David Stem, Barry Lambert, Mitchell Strunk, Bill Leach, John Kintner, Steve Van Campen, Dale Metzger, Earl Metzger. David will be portrayed by David Lewis, the two soldiers, Vernon Gilbert and Norman Schmidt, and the member of the Sanhedrin will be Dale Lewis. The Wise Men will be Glenn Snyder, Jack Swineford and Lewis Judy. Clarence Pearson will be the narrator.

Serving with the pastor of the church, Rev. Harold C. Eaton, who is the overall director, this year is Miss Patsy Miller, the costume committee—Mrs. Viola Feltman, Mrs. Grady Moore, Mrs. Helen Roberts, Mrs. David Jennings, Mrs. James Morgan, Mrs. Rudolph Bitts, Mrs. Roy Shields, Mrs. Charles Friend, Mrs. Ray McConnell, Mrs. Donald Heller, Mrs. Margaret Fatzinger, Mrs. Elsie Furry. The stage and properties committee is composed of Edward Staples, Robert Repsher, Theodore Donald Mutchler, Gaylene Jones, Paul Smith, Elmer Sutton, Tracy Bright, David Powell, John Swineford, Ralph and Douglas Scheiber, Robert Ace and Clayton Van Why.

The morning worship at 11 will present three choirs. The altar choir will sing "Carol of the Little King." The pastor has announced as his sermon theme, "The Word of Life." And the children's sermon "The Littlest Angel," a poem. The flowers for the day will be presented in memory of Marguerite Weston Casey, by Mrs. C. M. Fisher.

Selected passages from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be read as a Bible Lesson. A correlative passage from the textbook is: "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering." (387:27-32).

The Golden Text is also from Psalm 90: "My God, I trust in thee. . . . Let integrity and uprightness preserve me; for I wait on thee. Redeem Israel, O God, out of all his troubles." (25:2, 21, 22).

Visitation Scheduled For Monday

On Monday night, Dec. 15, the newly organized unit system in the East Stroudsburg Methodist Church will engage in a vital function, the simultaneous visitation and the presentation of the white-gift service letter from the church. In preparation for this event from 5:30 to 7 p.m.—the parish has been divided into 20 units at the head of which are appointed 20 couples who are known as unit leaders.

Cooperating with them in the various sections, depending upon the number of families in the section, are from two to five unit workers, to each again a couple, to whom in turn are assigned from 10 to 14 families.

Ultimately the parish will be divided into five divisions over which as many division leaders will be appointed.

The continuing function of the unit system is to promote friendliness and a family spirit in the total membership of the church, cultivation of that kind of spirit which will integrate and unify all members of the church into the activities and worship provided by the church's total program.

The present plans for the simultaneous visitation are for a meeting of the unit leaders and workers following the morning service Sunday at noon, at which time the Christmas letters to the membership will be distributed and the procedure of visitation will be discussed. It is the feeling of the pastor, and those associated with him in this work that great good will be accomplished by the United Effort to be put forth especially at the Christmas season. Nearly one hundred couples are involved in the unit work.

MR. AND MRS. R. CLINTON BUSH on their fiftieth wedding anniversary yesterday. (Daily Record Photo)

Neighborhood Celebration For Bushes

The PO of A Hall in Ansonia was last night filled with 75 relatives and friends who had come to pay tribute to Mr. and Mrs. R. Clinton Bush, of East Stroudsburg, RD 2, on their golden wedding day.

Mr. and Mrs. Bush were married fifty years ago in the parsonage of the Ansonia Methodist Church by the late Rev. Henry J. Maines. They made the trip from their homes near Manassas, La. to the parsonage by horse and buggy; they recalled last night.

Lifelong residents of the community, they are both 75 years old. In fact, yesterday also marked the birthday of Mr. Bush.

They have two sons, Ralph and Clifford, both of whom with Mrs. Garrison Cramer, held the open house in their honor. They also have four grandchildren.

Mr. Bush has been a farmer, and they both remain active and well.

Jill Corkhill Celebrates Sixth Birthday

Mr. and Mrs. Alfred Kent entertained at a birthday party at their home on Sarah St. in honor of their granddaughter, Jill Corkhill, who was six years old.

Birthday refreshments, games, favors, and gifts marked the party. Guests included Carol Lynn Sanders, Kay Arnold, Judy Baustein, Diane Koch, Linda Kitchner, Dianne Davies and David Wagner.

Mrs. Bush Is Presented With Life Membership

Mrs. George L. Bush was honored with a life membership in the Missionary Society for her services as president for two years of the Missionary Society of St. John's Lutheran Church at the meeting held last week at the church school.

Mrs. Mabel Shook was elected as the new president of the organization. Other officers are Mrs. William Marzen, vice president; Mrs. Mabel Weiss, treasurer; Mrs. Raymond Rupert, secretary.

Mrs. Thoma Shaw and Mrs. Dorothy Goedecke were named as an auditing committee. The Christmas program was presented by Mrs. Thomas Knepp with a story on "The Stranger In Our Midst" and a display on the symbols of Christmas in other lands. She was assisted in her presentation by several members.

Mrs. John Blair, Mrs. Edward Wayne, Mrs. P. N. Wohlson, Mrs. Mabel Shook and Mrs. Sadie French served Christmas refreshments.

Bridal Shower Is Held For Mrs. Praetorius

Snyderderville—A bridal shower for Mrs. Lucille Praetorius, who became the bride of Charles Praetorius last month, was given by Mrs. Britton Detrick and Mrs. Donald Detrick at the Donald Detrick home in Snyderderville.

The gifts had been hidden with clues sending the new bride on a treasure hunt. A "put" luncheon was served after she had opened her gifts.

Guests present included Betty Neyhart, Alma Detrick, Betty Detrick, Mary Ann Kiar, Joan Blah, Marie Feir, Helen Newell, Deanna Beamer. Those who sent gifts but were unable to attend were Dorothy Schellhammer, Eva Hoffman, Phyllis Cobb, Betty Knight, Clara Nelson, Eva Dennis and Helen Praetorius.

Just Between Us

—By Bobby Westbrook

It was a day for learning things. At the GOP Victory Luncheon, I learned that Frank Majestic used to be one of Teddy Roosevelt's Rough Riders.

I also learned that Friday night is not the night for food shopping. They need traffic cops for the go-carts. However while you're waiting to be checked out, you can learn a lot about the stranger around you.

You know who is going to have a party from the anchovy paste and bacon rind, the ginger ale and fancy cheeses. You know which families have small children at home by the cans of baby food, and can pretty well judge whether the wife has a job, too, by comparing the amount of frozen vegetables to the fresh ones.

You can tell who lives alone by the size of the cans, and which ones have the biggest families by the numbers of leaves of bread. Why, you can even tell which family has a successful hunter in it—no meat.

And just to add to the general fund of knowledge, I can tell you that you're due to get an early Christmas present. On Sunday afternoon, as a matter of fact when the Community Chorus makes its gift to the community in the form of a Christmas vespers concert at Grace Lutheran church. Mighty new present it is, too, and it took a lot longer to make for you than a pair of socks. Probably fit you better, too.

GOP Victory Luncheon Drafts Republican Men As Panelists

The "few high jinks" of the Victory dinner of the Monroe Council of Republican Women yesterday afternoon at the Penn-Stroud Hotel brought some of the county Republican men into the picture too, as they were drafted to serve as a panel for several quiz games.

Mrs. Olaf Pedersen, council president, welcomed the members and guests who filled the ballroom of the Penn-Stroud, and introduced the members of her staff: Mrs. Russell Scott, Mrs. Walter Stanard, Mrs. John Kitchen, Mrs. Edgar Powell and Mrs. Elwood Doll, as well as Mrs. Sue Price, president of the Barrett Council.

She announced that Mrs. Earl Primrose, welfare chairman, had distributed cards, each containing the name of a resident of the county home, and a wish for Christmas which members will endeavor to fill, according to the annual custom.

The council has changed its meeting place, she announced, and hereafter will meet in the ballroom of the Penn-Stroud Hotel on the second Wednesday of each month at 2:30.

Mrs. Eli Travis and Mrs. Irving B. Kiffin were chairmen of the victory luncheon. Mrs. Travis had made elephants for each of the tables, and illustrated the original verse, "Victory Sere-nade" which Mrs. Kiffin had written.

With Joseph Shane serving as master of ceremonies, the men present for the luncheon were grouped at their own table, and served as a panel for the program on "What's My Hobby."

Harrington Crump was the only speaker on the program, paying his tribute to Dwight Eisenhower as the "emancipator of human freedom," and as his Christmas wish that all men might follow "The Supreme Commander of the Universe" in eradicating the world of racial bigotry and fear. He closed by singing, unaccompanied, "When I Come to the End of My Journey."

With Joseph Shane serving as master of ceremonies, the men at the luncheon served as a panel for the program "What's My Hobby," in which, through questions, they were to discover that Charles Lanterman's was miniature trains; Mrs. Raymond Michener's, and Mrs. Graham Andoe's

making jewelry; Frank Majestic's, artificial flowers; Mrs. Alford Meyer's, collecting red glass; Charles Reinhardt, raising blueberries; Mrs. Miles Green, collecting buttons; and Mrs. Ashton Burrows, souvenir slippers, and Mrs. Kiffin, palm reading.

There were also two "mystery" guests, whose identities were evident to the audience but not to the men who had to guess their identities.

One of the highlights of the meeting was the presentation of an American Beauty rose to each woman with the compliments of the county committee in appreciation for the work they had done in bringing about the victory.

Taking part in the panel were Judge Fred W. Davis, State Senator Montgomery F. Crowe, Representative John Shottwell, District Attorney Elmer Christie, Commissioner Adolph Rake, State Committeeman Raymond Price, Commissioner Amzi Altomose, Register and Recorder P. A. Rockefeller, County Chairman B. K. Williams, Harold Wiggins, H. G. Sanborn, A. M. Price, E. J. Kenney and Col. Charles L. Gorman.

Engagement Announced

Mrs. Rose Quinzl of 200 Main St., Stroudsburg, announces the engagement of her daughter, Geraldine Quinzl to Franklin Keiper, son of Mr. and Mrs. Leon Keiper, of Long Pond. The date of the wedding has not been announced.

Mardi Wyckoff, Dorothy Peters and I were talking on the second floor yesterday when a cheery sound interrupted our conversation. In wonderment we stopped, until Mardi said, "That was Santa, hasn't he a wonderful laugh?"

He surely does, and I am told that more than one saleswoman has stopped in the midst of tying a bow to smile at a customer when Santa's laugh has resounded through the upstairs store. Sometimes it takes nothing but a particularly bright-eyed child to evoke his merriment. Other times it's occasioned by an unexpected remark from one of his little friends.

One of these incidents occurred just recently when a shy child paused at Santa's knee and gazed at him in awe. In order to stimulate conversation, Santa asked kindly, "Would you like a doll for Christmas? I imagine you would." Instantly the child lost her shyness. "Don't you even KNOW?" she demanded. "They told me you'd remember that you brought one last year."

But Santa doesn't always laugh. He didn't laugh yesterday when he mentioned a visit to a Northampton County school. Just as he turned toward home, he noticed a boy of eight hurrying toward him. Instantly Santa bounded to the curb with gifts and words of cheer. "It was a sad meeting for him—for the youngster has had a bad year with operations and such. He isn't in school just now, but came tearing out of his home to see 'Father Christmas'—breathless and anxious—propelling himself on crutches."

HERE AND THERE: Children may like Jack Straws, but I prefer chocolate straws from our candy department in my Christmas stocking . . . Our candy department girls are literally up to their ears in Christmas at the moment, preparing hundreds of special order packages for clubs and Sunday Schools. Has your organization placed its order yet? . . . Junior isn't the only thing quick on the draw these days. The same might be said of the plastic "draw drapes" now being given away in our decorating department. (I say "given away" advisedly—for they are priced at only \$2.98 and \$3.98 complete—a new low for high styles.) These drapes have a "sweater bar net" and adjust from 16 inches to 76 inches in far less time than it takes to type it. My favorites are geometrically patterned and come in either brown and gold or black, green and white. From a few feet, they resemble expensive material, but they are actually much like a dull-finish oil cloth. Seems to me these are the brightest idea for the home since the electric light! . . . Wonder if I could move to Toyland permanently? It's a wonderful place, particularly since they have those new steel bunk beds with the tiny metal ladder, the steel doll cribs, the Doll-E-Do-Dish Kitchen Sets, and the adorable little kitchens with refrigerator, electric dish washer, tiny dishes, pans, and the sink with real water pouring from a miniature faucet. I wonder if I could step through one of our handsome mirrors and find myself in Wonderland? I wonder.

A sheet metal bench, adjustable bar folder, combination rotary machine, post-stall-type heat-treating furnace, ship roll forming machine, vertical spindle shaper and motor with accessories, a direct-drive planer, 12-inch swing speed lathe, wood-turning equipment, metal spinning equipment, 10-inch precision lathe with added equipment and accessories and tool holders.

The list discussed and agreed upon at this week's meeting is a supplement to the requirements drawn up last spring during discussions of the building.

In addition to its approval of the equipment recommendations, the technical advisory group decided to sponsor the development of a brochure describing plans for the future of the new building and a discussion of the entire industrial arts set-up at the school as officials hope to maintain it.

A discussion of the curriculum to be offered following the completion of the building was also held at the meeting.

Members of the East Stroudsburg Board of Education who attended the meeting were J. M. Hill, Howard Eckert and Horace Walters. Industry members were Charles Reid and Lawrence Bechler of Patterson-Kelly; Edward Telling and Irving Williams of Line Material and the following school officials: Charles Schaller, Harold Lee, Ralph O. Burrows and Carl T. Sevor, supervising principal.

Life of Riley

By JIM RILEY
Sports Editor

The presence of John "Juice" Ernst and Dick Merring, both of East Stroudsburg High School, on the honorable mention list of the All-Pennsylvania Scholastic football squad released by the Associated Press recently, is even more of an honor than appears on the surface. The comparative few that are named to the first three teams and to the honorable group make it honor enough to make the grade, but a close examination of the list puts Ernst and Merring into a very select group as far as this portion of the state is concerned.

Allentown gained a first and third team berth and the same Allentown High contingent was honored with an honorable mention, as was Easton. However, in addition to the four spots named in the above portion of this paragraph, Ernst and Merring were the only other players in the entire Lehigh Valley athletic setup that were named to the honorable list. There was no other Lehigh-Northampton griddle in sight and not a single member of the Lehigh Valley League received mention.

Before continuing further this morning, it might be good to mention at this time that this writer's nominations for the All-State squad were Ernst and Merring from East Stroudsburg and Captain Al Adelmann and Bill Bailey from Stroudsburg. However, as shown on the list recently released, it takes at least two votes of sports writers across the state to make the grade, and for some unknown reason Adelmann and Bailey were left out in the cold, although I know that their ability is as good or better than several players on the all-star agenda.

There's more to being named to an all-star football team than showing great ability on the gridiron. I believe that both Ernst and Merring would have earned a berth on one of the first three teams, maybe even the first one, if they would have played in a larger league, with a larger school or if the Lehigh-Northampton League and Lehigh Valley League would have a better publicity setup as a unit. Publicity as a league is virtually nil in both circuits operating in a local area, although co-operation between the sports department of The Daily Record and Stroudsburg and East Stroudsburg couldn't have been better during the campaign just completed.

So, you can see that honorable mention in the case of Ernst and Merring is a real feather in the caps of two boys who played major roles in East Stroudsburg's record of eight wins and one setback, the most successful season in the history of football at the N. Courtland St. school. From this column goes a warm bit of congratulations to both "Juice" and Dick and best wishes in the future, both in college and the years that extend after their advance schooling has become history.

There was some excitement in the State Belt on Thursday, when the delayed starting of the wrestling show left many people with the belief that the show had been cancelled, due to the fact that a handful of the spectators had been given their money back, when the Golden Terror didn't arrive at a point one-half hour after the program was scheduled to begin. However, the Terror arrived about 9:15 p.m., and battered on the back door of the Blue Mountain Farm Show building demanding admittance.

ESSTC Cagers Tangle With Wilkes College

East Stroudsburg State Teachers College will make its second trip to the hardwood tonight, when the basketball Warriors tangle with Wilkes College, in Wilkes-Barre, in the host school's gymnasium. The contest, part of a tripeheader, will get underway at approximately 8:30 p.m.

The Warriors, under the guidance of Coach Chris Denis, will be searching for their initial win of the 1952-1953 campaign, after dropping a hair-raising 56-52 verdict to Millersville State Teachers

Mountaineers Stop Garnet In Last Round

Stroudsburg found the scoring touch it lost during the third period in the fourth quarter last night and the Mountaineers broke into the win column for the first time this season with a 44-39 decision over Phillipsburg High, before a fair sized crowd at the W. Main St. gymnasium.

The Mountaineers enjoyed a perfect night, when the Stroudsburg junior varsity came up with an easy 53-33 decision over the Phillipsburg yearlings in the preliminary game. Jack Whittle, with 10 points, paced the scoring attack for the winning aggregation.

Stroudsburg led throughout the ball game, but the Phillipsburg club, coached by Fred "Benny" Leonard, came to life in the third period to cut the Stroudsburg lead to 32-26 as the two clubs rolled into the final eight minutes of action.

Phillipsburg came back to hold an 11-6 advantage in the third quarter and although the Garnet held a slim 13-12 margin in the final round, Stroudsburg creased the cords often enough to leave the court with a five-point victory.

Saxton Stops Perez In First Round
New York (AP)—Johnny Saxton, unbeaten Brooklyn welter contender, knocked out Paul Perez, of Matanzas, Cuba, last night in 2:17 of the first round at Madison Square Garden when Perez crumpled suddenly under a body barrage and was counted out by Referee Percy Selzer.

Long Struck
It was Saxton's 34th straight win as a pro.
Saxton weighed 147½, Perez 143. Dr. Vincent Nardiello of the New York State Athletic Commission examined the Cuban in the ring and said he apparently had been "sort of paralyzed" by a punch to the ribs. Perez left the ring, half dragging his right leg as he returned to the dressing room.

Nemeth Leads Coplay To Nod Over Bangor In Loop Opener

Bangor—Ken Nemeth was the difference between victory and defeat for Coplay High in a Lehigh-Northampton League contest played here last night, as the invading Coplay five came up with a 63-50 victory over Bangor, thanks to 28 points by Nemeth. The loss was the first of the season for the Slayers.

The Slayers gained some manner of satisfaction with a 62-52 win in the junior varsity battle, with Duane Miller carrying the bulk of the scoring load against the Coplay yearlings, with a total of 17 points.

Drive Falters
Bangor was only four points off the pace going into the final eight minutes of action, but the Coplay quiet took no chances of allowing its early advantage to slip away, and the visiting club put the game on ice with a 20-11 edge during the last quarter.

TTHS Trips Alumni; Polk Suffers Loss

George Hewitt ran wild on the Polk High school court last night and led Mauch Chunk to a one-sided 104-34 victory over Polk, as the sharpshooting center personally accounted for 45 points, on 21 goals from the field and three from the foul line.

Tobyhanna Township High, preparing for defense of its Monroe County League crown, doubled the score against the Alumni, 62-31, last night on the Pocono Pines hardwood.

Two Wins
Mauch Chunk also won the junior varsity game against Polk, this one by a 42-24 tabulation.

In each case of varsity play, the winning aggregation held the upper hand from start to finish and the outcome of the game was never in doubt.

Barrett, Coolbaugh Turn In Favorable Basketball Verdicts

Barrett High School ran up its third straight victory of the current campaign last night with a 47-44 victory over Hawley High, while Coolbaugh made it three favorable decisions in four trips to the hardwood with a 45-38 verdict over the Pocono Jets, on the Tobyhanna court.

The difference between victory and defeat for Barrett was at the foul line, where the charges of Coach Joe Murray made good on 15 of 26 tosses, while Hawley could register only eight conversions in the same number of trips to the free-throw line.

Rally Fails
Barrett used a two-point advantage in the first period and a one-marker edge in the final round to land victory number three, with Paul Gravel and Phil Price leading the way.

Coolbaugh fought off a last period rally by the Pocono Jets to bring home the bacon in its game, after the host contingent had held the upper hand from the early seconds of the first round.

Hawley won its preliminary battle from the Barrett junior varsity, 36-18, while there wasn't a preliminary schedule for the Coolbaugh-Pocono Jets affair.

Nurses Plan Activity For Air Raid Test

Nurses of the Monroe County Civil Defense organization Thursday night discussed plans for operation of first aid stations in the test exercise scheduled for Thursday, Dec. 18. Miss Ada Banks, county nursing director, presided at a meeting held in the Civil Defense office, Court House, Stroudsburg.

First aid stations will go into operation by direction of County Director Fred W. Davis at 10:30 p.m. Thursday and will remain in operation until 11:15 p.m. According to defense officials these stations will be operated in Stroudsburg (VFW home) Marshalls Creek Fire Station, Chestnut Hill Township High School, Pocono Lake.

First aid stations will be operated generally in connection with reception stations, at which point evacuees from other areas will be received.

Chief problems of the first aid stations, according to defense officials, are supplies and trained personnel. A committee is now functioning to recommend suitable supplies for each of the stations. It is contemplated contacting the general public for assistance in obtaining supplies usually on hand in homes, such as white bed-sheets and material for litter construction.

Present at the meeting were Miss Banks, Mrs. Horn, Mrs. Shaffer, Miss Roos, Mrs. Smith, Marion Field, Florence B. Michaels, Josephine McGinty, Esther Musselman, Ruth Bicknell, Carolyn Stern, Elizabeth Eschbach, Virginia Scott, Betty Brader, Maude Van Seiver, Elsie Stanford, Franklin E. Weller and Jack Anderson.
